

CALIFORNIA DEPARTMENT OF
FOOD & AGRICULTURE

Karen Ross, Secretary

March 23, 2018

TO ALL INTERESTED PARTIES:

The California Food and Agricultural Code (Code) authorizes the Secretary of Food and Agriculture to establish an assessment of Milk Stabilization Administrative Fees (Fees) on Grade A market milk and Grade B manufacturing milk sold in commercial trade channels to fund the operations of the Dairy Marketing Branch (Branch).

Milk Stabilization Administrative Assessments

Assessments	Market Grade A	Manufacturing Grade B
Maximum Assessments	0.024/cwt.	0.018/cwt.
Current Assessments	0.012/cwt.	0.012/cwt.
Producer Share	0.008/cwt.	0.008/cwt.
Processor Share	0.004/cwt.	0.004/cwt.

In 2017, the Branch determined that it had sufficient funds to administer the program without continuing to collect the Fees. As such, the Fees were suspended as of September 1, 2017 and have remained in suspension for the past several months.

After careful monitoring and review of the cash balance of the Milk Stabilization Fund, the Secretary has determined that collection of the Fees be reinstated for milk produced on or after May 1, 2018.

A copy of the Departmental invoice statement reflecting the reinstated fees is included on the reverse side of this notice. The notice, invoice statement, and Order of the Secretary are posted to the website at: <http://www.cdfa.ca.gov/dairy/notices.html>.

Sincerely,

Donald Shippelhouse, Chief
Dairy Marketing Branch

ORDER OF THE SECRETARY OF FOOD AND AGRICULTURE
ESTABLISHING THE RATE OF ASSESSMENTS AND FEES TO

FOOD AND AGRICULTURAL CODE OF THE STATE OF CALIFORNIA

WHEREAS, Section 62211 of Division 21, Part 3, Chapter 2 of the Food and Agricultural Code of the State of California requires every handler in the State of California who purchases or handles market milk from producers, including the handler's own production, to pay the Secretary of Food and Agriculture a fee of eight-tenths of one cent (\$0.008) per hundredweight of market milk, and to deduct as an assessment from payments made to producers for such market milk, including the handler's own production, the sum of one and six-tenths cents (\$0.016) per hundredweight of market milk and to remit the amount of such assessments to the Secretary of Food and Agriculture; and

WHEREAS, Section 61412 of Division 21, Part 3, Chapter 1 of the Food and Agricultural Code of the State of California requires every handler in the State of California who purchases or handles manufacturing milk from producers to pay to the Secretary of Food and Agriculture a fee of six-tenths of one cent (\$0.006) per hundredweight of manufacturing milk and to deduct as an assessment from payments made to producers for such manufacturing milk the sum of one and two-tenths cents (\$0.012) per hundredweight of manufacturing milk and to remit the amount of such assessments to the Secretary of Food and Agriculture; and

WHEREAS, the revenues derived from such fees and assessments are to be used for the purpose of defraying the costs incurred in administering the provisions of Chapters 1, 2, and 2.5 of said Division 21, Part 3; and

WHEREAS, Sections 61413 and 62212 of said Chapters 1 and 2 provide that the Secretary of Food and Agriculture may fix the rates of assessments or fees required by Sections 61412 and 62211 at lesser amounts or may adjust such rates of assessments or fees from time to time, whenever he finds that the cost of administering the provisions of said Chapters 1 and 2 can be defrayed from revenue derived from such lower rates, provided that the adjusted rate of assessments deducted from payments to producers and the rate of fees paid by handlers shall at all times be in the ratio of 2 to 1; and

WHEREAS, such Market Milk assessments were suspended effective September 1, 2017; and
